

MODEL 32 SUSSEX RECTANGLE

Choose rectangular models for recessed installations. Rectangular model produces the largest area for showering. Flanged all sides for threshold to be built on the job.

FEATURES

- Shower floors flanged on all sides for threshold to be built on the job
- Terrazzo's natural non-slip surface provides better footing and increased safety
- Choice of colors: black and white (standard); optional: white, tan or gray
- Terrazzo composed of marble chips cast in white Portland cement to produce a compressive strength of 3000 PSI seven days after casting
- Then ground smooth, grouted and sealed to resist stains and moisture
- Integral cast 2" brass drain with removable stainless steel strainer plate
- Installs on the finished floor – see instructions for details
