

# MODEL SB-200, 400, 600, 800 SERIES

## SERVICEPTOR MOP SINKS WITH PLAIN SHOULDERS

The most complete line of terrazzo Serviceptors for corner, recessed, pier or island installations, we offer square or rectangular models in a choice of 4 sizes. All sinks are available with plain shoulders or integrally cast 20 gauge continuous stainless steel cap.

Flange is across back and on left side on model numbers ending in "L" or across back and on right side on model numbers ending in "R".

Tiling flanges are optional, made of stainless steel, and extend 1" above the shoulder on 1, 2, or 3 sides, as required.

(Shown above) SB-400

### FEATURES

- Terrazzo composed of pearl gray marble chips cast in white Portland cement which produces a compressive strength of 3000 PSI seven days after casting; then ground smooth, grouted and sealed to resist stains and moisture
- Brass drain body is cast integral and provides for a caulked connection of not less than 1" deep to a 3" pipe
- Drain is centered on all models and comes with a twist lock stainless steel strainer
- Installs on the finished floor
- Shoulders shall not be less than 9-3/4" high inside measurement, and not less than 1-1/4" wide
- Drain shall be stainless steel cast integral with removable stainless steel strainer, and shall provide for a gasket or a caulked lead connection not less than 1" deep to a 3" pipe
- Stainless steel caps are continuous or 4 pieces 20 gauge stainless steel and cast integral (see product number description above)
