SERPENTINE SHOWER FLOOR FOR WHEELCHAIRS

WS-Series Serpentine shower floors for the handicapped come with 6" stainless steel entry cap on integral ramp, available in recommended several sizes, with tiling flange on the remaining 3 sides for a water tight joint between the wall and shower floor.

ADA Compliant (WS-3502, WS-3503, WS-3504, WS-3505 only)

FEATURES

- 20 gauge cast in stainless steel cap covers and brightens the leading 6" of the 12" integral ramp
- A cast in water dam is standard to help reduce water run off
- A floor drain by others at the entrance to the sloped threshold and a collapsible water dam (Option: -RDM) are recommended for added protection
- WS-3505 are ADA Compliant
- Institutional 6" sidewall; Barrier Free
